

Haldon Forest Park Concession Scheme

Applicant Guidelines

Haldon Forest Park Concession Scheme has been put in place in order to offer free parking facilities for those deemed eligible. Eligibility is established through a short application process, if an applicant is accepted they will be offered a yearly parking permit. Permits run from 31st March until 1st April although applications can be made any time during the year.

Who is eligible?

- Those people who are in receipt of disability benefits including Disability Living Allowance, Severe Disability Allowance or Attendance Allowance.
- Residential homes, day care centres, disability groups and special schools that will regularly visit the site.
- People living in areas that are listed in the lowest 20% of the 2004 Indices of Deprivation.
- Regular Volunteer at Haldon Forest Park
- Blue badge holders are welcome to apply but the above criteria will apply, if the application is unsuccessful blue badge holders will be required to pay for parking.

Each application will be reviewed individually and a permit provided upon a consensus of agreement by the Haldon Forest Park Team.

If you feel you are eligible and wish to apply for a concession car-parking permit you will be asked to complete a submission form and provide the relevant evidence. You can download the form electronically if you visit www.forestry.gov.uk/haldonforestpark, pick up a form at the Rangers Office or request a form by calling the Forestry Commission on 01392 832262. Please return the form to Louise Bell at Forestry Commission, Buller's Hill, Kennford, Exeter, Devon EX6 7XR.

Once applications have been reviewed the successful applicant will be given their parking permit which will need to be displayed in the window of their vehicle during the time they are using the car park.

The permit is not transferable and may only be used by those parties and situations reviewed in the application process, misuse of the permit will result in the concession being revoked.

The concession permit is only valid in Haldon Forest Gateway Car Park and not in conjunction with any other offers or Forestry Commission sites.

Applications will be reviewed by Haldon Forest Park Team and therefore may take up to 21 days to process.

Applicants will be sent reminders nearing the expiry date of the permit and applicants will be required to reapply for the concession permit on an annual basis.

Monitoring

We will record the number of permits sent out and ask applicants how many times they think they will visit the site. The Forestry Commission will keep information and monitoring data which will be shared with Sport England and their partner agencies in accordance with the Data Protection Act.
