

## South Yorkshire Forest Partnership and Intelligent Energy Europe

### Who should attend?

- Woodland Owners
- Land Agents
- Woodland Managers
- Farmers

### Study Tours

On the afternoon 15th June a study tour will include visits to local examples of unmanaged woodland, managed woodland, a working woodfuel installation and a woodfuel processing facility. The visits include talks from Finish and UK forestry experts.

In 2011 there will be a study tour to Austria for number of local private forest owners, to see examples of successful small scale woodland management schemes and woodfuel clusters. Interested private woodland owners will have the opportunity to attend and learn from this visit with a view of being part of the emerging woodfuel cluster in South Yorkshire.

Refreshments including a buffet will be provided at each event.

### Registration

If you would like to attend this event please contact South Yorkshire Forest Partnership either by email: [team@syforest.co.uk](mailto:team@syforest.co.uk) or telephone: 0114 257 1199

## South Yorkshire Forest Partnership and Intelligent Energy Europe

**14th June 2010, 7pm - 9.15pm**  
Information Session

**15th June 2010, 9.30 am - 4.30 pm**  
Information session and study tour

The Source, 300 Meadowhall Way, Sheffield, S9 1EA

### Activating Forest Owners Programme

**Free comprehensive information sessions** supporting private woodland owners to manage and sustain their woodlands

#### Also offering guidance and advice to help you:

- improve woodland management and diversity
- secure grants
- create income from woodlands
- become profitable woodfuel producers
- contribute towards national efforts to reduce carbon emissions
- work collectively in 'clusters' to supply woodfuel – minimising costs and management worries and maximising opportunities for small woodland owners.
- see the potential of your woodlands and learn about examples of best practise from Finish forestry expert
