

Grizedale

KS1 Learning Programmes

Whole or Half Day Programmes are available on the following themes, or create your own with our help.

Grizedale Forest Safari (full or half-day)

- A close-up look at some of the animals that live in the forest (touch and feel our collection of stuffed mammals & birds; skins, skulls, bones and feathers) –name & identify differences between birds and mammals.
- Play the '*SWAF*' game and recognise what animals need to stay alive
- Go on a *Minibeast Safari* to find and name some of the animals that live on the forest floor & find out why tiny creatures like these are so important in the forest.
- Make a creature out of natural materials on the forest floor

Tree-mendous Plant Games (full or half-day)

- Seeing, touching, doing - making plants fun!
- Play *Leaf Snap!* to identify the differences between trees & their leaves.
- Find out what plants need to grow by playing '*The Seed Game*'.
- Recognise the parts of a tree by acting out their functions!

Forest Discovery Walk (half-day)

- A series of sensory activities designed to enable children to explore and discover the forest in a very different way whilst learning to recognise how animals use senses to survive!
- Activities include: making colour palettes, having a 'smelly cocktail party', collecting Half a Dozen Touches, playing Bat and Moth.

Grizedale

Sculpture in the Forest (full or half-day)

- Be guided along the Ridding Wood Trail and discover some of the original artworks in the forest. Explore the differences between them - what they look and feel like, and what materials they are made from and what might have inspired the artists that made them.
- Using ideas gained from exploring the sculptures and the forest, make and review group sculptures out of natural materials in the forest environment.

CHARGES per class: Full day £200, Half-day £105
