

Forestry Commission
England

Friends of Whinlatter

mountains of volunteering

Initial meetings

held at Whinlatter Classroom

Sunday 16th January 3pm
Wednesday 19th January 10am

Help us to look after your forest by becoming a Friend of Whinlatter.

Take part in wildlife conservation, tree-planting, invasive species control, trail maintenance

Help us to run events to share learning about the forest

Become a Volunteer Ranger

Come along and find out more

Help us to...

Give visitors a greater understanding about forests and the environment

Realise the potential of each of our forests for wildlife and nature conservation, health and wellbeing.

love your local forest...

we do trees & forests * we believe in quality & innovation * we are passionate & dedicated * we live & breathe being green
we are there to help & learn * we do things for the long term * we look after your forests & its wildlife for you to enjoy
