Group leaders should be aware that:

- You are responsible for the behaviour of the group at all times
- Groups working without a Ranger must have a responsible adult in charge of their safety
- Group members should be adequately clothed for the conditions
- The safety of the group is the responsibility of the group leader
- Emergency first aid kit on site
- The forest is a working environment – observe any warning, restriction or temporary closure notices

Please sign below to confirm you have read this information and will ensure that the group complies with these conditions.
