Farm Woodland Payments

2007 Payments of FWS, FWPS and FWP commence on 6th November. Note that remittance advices will follow after payments. Important information regarding these payments can be found on the [2007 Farm Woodland Payments](#) page.

Amendments to the Habitats Regulations - Regional Seminars

A series of regional seminars has been organised in connection with the recent amendments to the Habitat Regulations. The purpose of these events is to advise woodland owners, managers and contractors on the legislative changes and how they can ensure that forestry operations are compliant with the regulations where protected species are present. The dates and venues for these events, together with details of how to book a place, are available via the [FC's Habitats Regulations](#) webpage.
