

## Forestry Commission Corporate Literature Fonts

The overall parent corporate font for all areas of Forestry Commission publishing is VAG. VAG Thin or Light must be used for all titles and main headings in the Corporate literature system (VAG Bold should only be used as a highlight weight and as little as possible). It is also one of the two fonts (along with Mundo Sans) which may be used for all body copy in the Corporate literature system To meet accessibility guidelines the minimum point size to use is 11pt or size equivalent to an x height of 2mm (see next page for an example block of 11pt text).

### VAG Rounded Thin

### VAG Rounded Bold

## Additional Body Copy Font

Mundo Sans can also be used as a body copy font, instead of VAG. Mundo Sans has a wider range of weights than VAG which may influence the choice of body copy font. It is acceptable to use Mundo and VAG together as long as the use is consistent and logical e.g. VAG for main text and headings with Mundo for margin or boxed text and some sub heads, or vica versa as in Scotland's corporate publications with Mundo Sans as body copy font. To meet accessibility guidelines the minimum size of main body copy is 11pt or size equivalent to an x height of 2mm (see next page for an example block of 11pt text).

## Example of VAG Thin in 11pt text

Umpteen Macintoshes tastes two partly schizophrenic tickets. The Klingon perused irascible orifices. The mat lamely auctioned off one Macintosh. Mostly schizophrenic lampstands tickled umpteen dogs, because two putrid fountains marries the purple schizophrenic sheep. Two sheep drunkenly marries one mats the purple schizophren.

Two schizophrenic poisons easily untangles Mercury.

Umpteen dwarves tastes the Jabberwockies, however putrid bureaux almost lamely fights the Macintosh. Quite quixotic subways bought five partly purple wart hogs, and umpteen dogs gossips quickly.

Jupiter mostly lamely kisses two quite schizophrenic dwarves, although the irascible subway easily auctioned off umpteen progressive tickets, yet one quixotic television perused five Macintoshes. Two putrid trailers towed umpteen bureaux. Two chrysanthemums almost lamely bought the pawnbrokers.
