

Corporate Literature Fonts

Forestry Commission Scotland title, heading and sub body copy font

The overall parent corporate font for all areas of Forestry Commission publishing is VAG. VAG Thin or Light should be used for all titles and main headings in the Corporate literature system (VAG Bold should only be used as a highlight weight and as little as possible). It is also one of the two fonts (along with Mundo Sans) which may be used for all body copy in the Corporate literature system To meet accessibility guidelines the minimum point size to use is 11pt or size equivalent to an x height of 2mm (see next page for an example block of 11pt text).

Forestry Commission Scotland main body font

Mundo Sans should be used as the main body copy font. It is acceptable to use Mundo and VAG together as long as the use is consistent and logical e.g. VAG for main text and Mundo for margin or boxed text and some low level sub-heads, or as in Scotland's corporate publications Mundo Sans as the main body copy font. To meet accessibility guidelines the minimum size of main body copy is 11pt or size equivalent to an x-height of 2mm (see next page example blocks of 11pt text).

Example of Mundo Sans in 11pt text

Umpteen Macintoshes tastes two partly schizophrenic tickets. The Klingon perused irascible orifices. The mat lamely auctioned off one Macintosh. Mostly schizophrenic lampstands tickled umpteen dogs, because two putrid fountains marries the purple schizophrenic sheep. Two sheep drunkenly marries one mats the purple schizophren.

Two schizophrenic poisons easily untangles Mercury.

Umpteen dwarves tastes the Jabberwockies, however putrid bureaux almost lamely fights the Macintosh. Quite quixotic subways bought five partly purple wart hogs, and umpteen dogs gossips quickly.

Jupiter mostly lamely kisses two quite schizophrenic dwarves, although the irascible subway easily auctioned off umpteen progressive tickets, yet one quixotic television perused five Macintoshes. Two putrid trailers towed umpteen bureaux. Two chrysanthemums almost lamely bought the pawnbrokers.
