

Forest Health Day - Central Scotland

1 October 2009

Scone Palace
PERTH
PH2 6BD

[click here for directions](#)

Organisers: Forest Research
Forestry Commission Scotland

What is this event?

A one day seminar where Forest Research pathologists and entomologists update the sector on the latest information about pests and diseases affecting trees and woodlands.

- An overview of current threats and those that may be just over the horizon
- Basic indicators of when things may be going wrong as a result of pests or disease and how these are monitored
- How to report them and to whom
- Reporting procedures
- The day will be largely delivered by Forest Research pathologists and entomologists with local input as appropriate. Representatives from Forestry Commission, & Plant Health will also attend.

Programme:

9:30 Coffee and Registration for a 10:00 start
Lunch will be provided

16:00 End

THERE IS NO CHARGE FOR THIS EVENT
