

Forest Health Days

Scotland 2010

Central: 29th September 2010

North: 6th October 2010

South: 7th October 2010

Great Spruce Bark Beetle

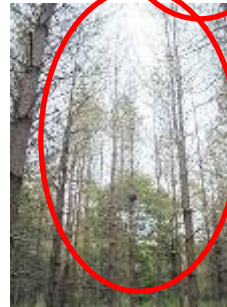

Hylobius

Phythophthora ramorum
in larch

Pine-tree Lappet Moth

Red Band
Needle Blight

Dutch Elm
Disease

Acute Oak Decline

Oak Processionary Moth

Bleeding Canker of Horse Chestnut

Corporate and Forestry Support (CFS) around 90% of the FC funding

Inventory, Forecasting & Operational Support (IFOS)

The Countries (FCS, FCE, FCW)

European Union
Commercial & Other
Research Councils
Universities
Other Government
Other International

Delivering innovative applied science to promote sustainable forestry

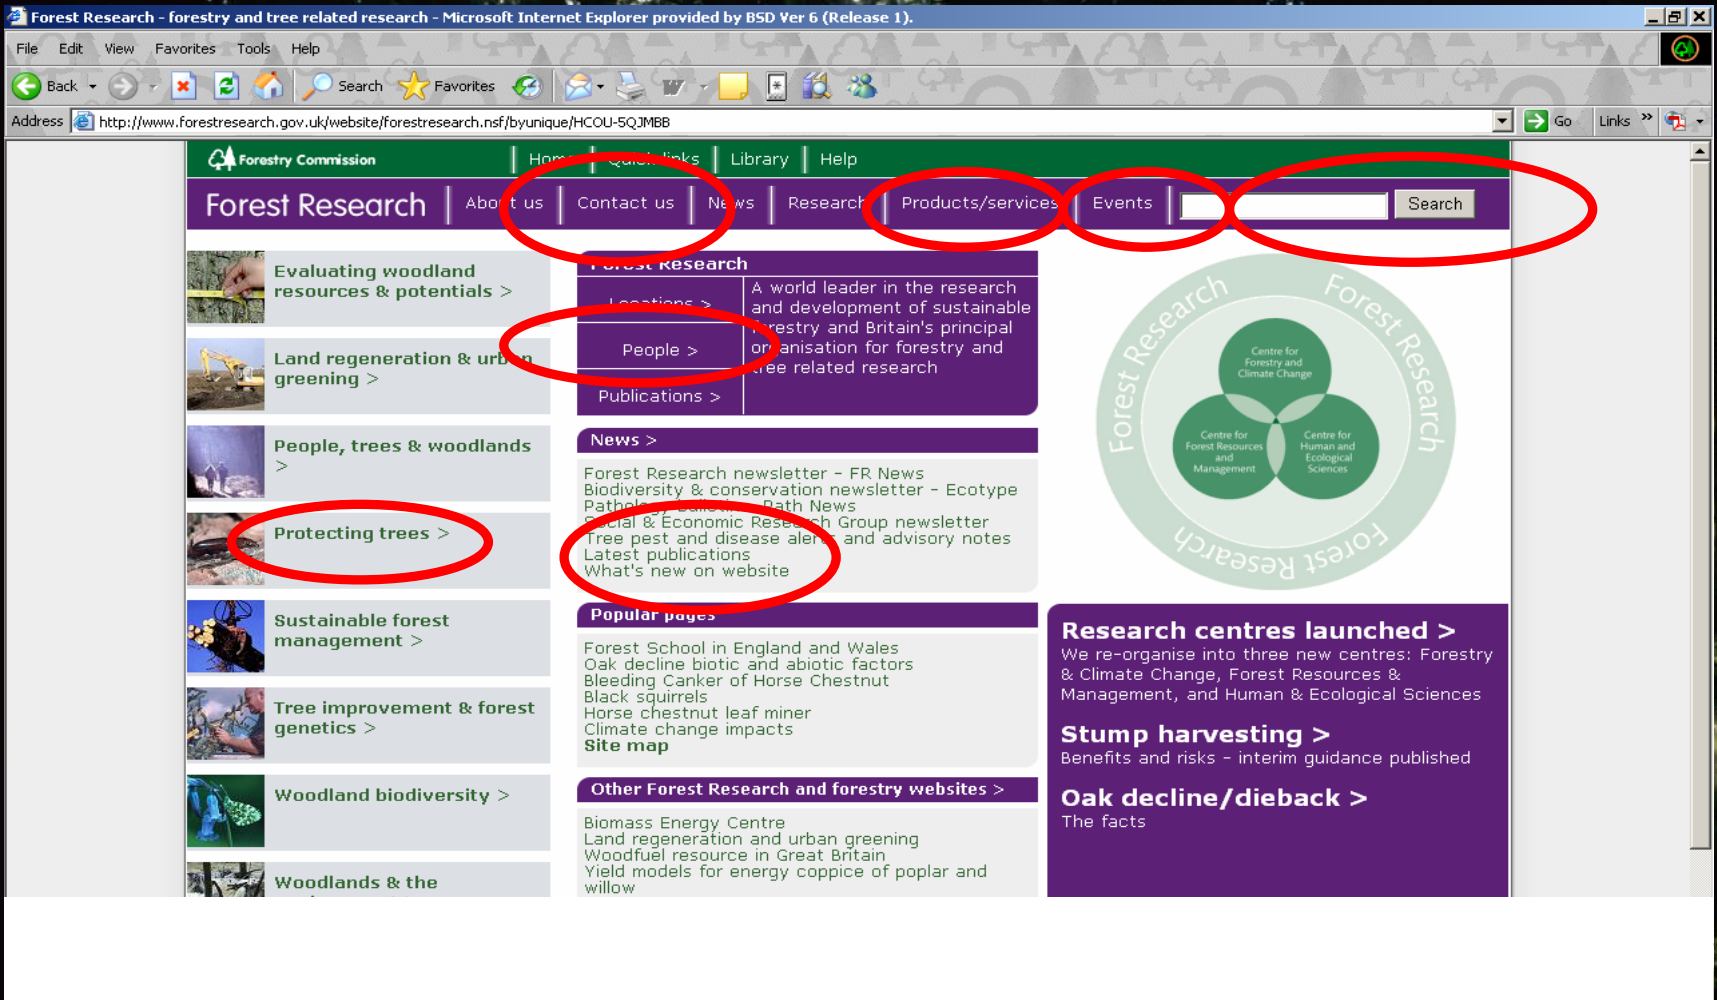

Evidence, Advice, Expert opinion

Services

Website, Science & Tech Publ., Newsletters, Press releases

Events, Seminars (Specific/update/Cpd)

Innovation

Forest Research - forestry and tree related research - Microsoft Internet Explorer provided by BSD Ver 6 (Release 1).

Forest Research (FR) – Some web links –we will also email this to you.

General links:

1. Access to people, events, publications, newsletters etc can be found through the FR website: www.forestry.gov.uk/forestreresearch
2. Register for newsletter: newsletter@forestry.gsi.gov.uk
3. Register for events notification: fr.events@forestry.gsi.gov.uk
4. Register to receive details of publications: <http://www.forestry.gov.uk/website/publications.nsf/registerinterest>
5. As of 18th May 2009, the Search function on the FC and FR websites makes use of a custom Google search engine. Please have a go if you haven't tried it ... you should see a real difference.

Pest and Disease links:

6. Publications on protecting trees and tree health: <http://www.forestry.gov.uk/fr/INFD-5ZCBDE>
7. Publications on Climate Change: <http://www.forestry.gov.uk/website/forestreresearch.nsf/ByUnique/INFD-7KHLL>
8. Search for more FC publications: <http://www.forestry.gov.uk/publications>
9. Link to Research staff (by name): <http://www.forestry.gov.uk/fr/ind-5uwr5>
10. Disease diagnosis and advisory service: www.forestry.gov.uk/fr/ddds
11. Research – Protecting Trees: www.forestry.gov.uk/fr/protectingtrees
12. Forestry Commission Plant Health: <http://www.forestry.gov.uk/planthealth>

If in doubt or you cannot find what you are looking for quickly, please contact:

Research Liaison Officer (Scotland): Steve Penny
steve.penny@forestry.gsi.gov.uk 0131 445 6989 or 0780 890 0331

Sheet of **Speed Links** will be emailed to you if we have your email addresses.

Presentations will be added as pdf's to the FR website events page and you will be notified when these are available and sent link if we have your email addresses (within two weeks).
