How to use the barbeque

» Open the padlock with the code issued to you (press down the clasp to unlock).

» Turn the yellow gas supply tap to a vertical position (on).

» Turn the flame control to half power and hold in.

» Light via the hole located under the BBQ grill. **Do not light from the top!**

» Hold flame control in for at least a further 15 seconds.

» Turn the BBQ to full power and cook.

And finally...

Please park all vehicles on the hardstanding at the bottom of the grass area. If your group has more than 2 vehicles (or 4 for a whole day session) each additional vehicle will require a car parking ticket to be displayed.

There is no electric or water supply on the events area. A standpipe is situated in front of the lodge next to the disposable barbecue bin. No fires allowed.

A permission will be required for commercial or fundraising events, or for events with over 50 people. Please allow eight weeks for your application to be processed.

Before you leave

When you have finished cooking please ensure the **gas supply is off** (with the tap in a horizontal position) and the **BBQ is locked up**.

Please leave the site tidy. Rubbish should be taken home and recycled where possible. A charge will be made for any litter removed from site by the Forestry Commission.

Don't forget!
Bring matches and lock BBQ after use.
