

School Sessions in Hamsterley Forest 2015

Schools are invited to book planned, leader led curriculum linked sessions in Hamsterley Forest! Sessions available can either be bespoke or from our themed sessions which include:

 **Sensory Exploration**

(Experience the sights and sounds of the forest)

 **Gruffalo Discovery**

(Come to find the Gruffalo in the deep dark wood)

 **Survival Skills**

(How would you survive in the wild?)

 **Den Building**

(Natural shelter building using resources found in the forest)

 **Homes and Habitats**

(Identify how animals and plants are adapted to suit their environment)

 **Minibeast and Wildlife**

(Come and find the minibeasts in the woodland and see how they look, explore the wildlife of Hamsterley)

 **Environmental Art and Crafts**

(Use the natural environment to create sculptures and pictures)

 **Tree Identification**

(Can you identify the different trees throughout the wood?)

 **Woodland Myths and Legends**

(Explore the woodland looking at the myths surrounding the different trees)

 **River Studies**

(Looking at the flow, function and features of the river Bedburn)

 **Orienteering and Trails**

(Map work, setting and following trails in the forest)
