

Other sources of local timber

“Woodlots” is a region wide source of local timber and skills for using this timber. Woodlots promotes local timber and wood products grown sustainably in South East England. Click here to go to the Woodlots website.
<http://www.woodlots.org.uk/index.htm>

Click here to see a directory of timber businesses and their products in the Chilterns area http://www.chilternsaonb.org/downloads/chilterns_wood_directory.pdf

The Timber Build Network South East site has a great deal of information and a “Find an expert” page at the following location: <http://www.timberbuild.org.uk/expert-index.html>.

A suppliers of timber directory is available at the following site <http://www.trada.co.uk/dir/>. This directory includes imported timber.

A coppice directory is available at the following web site if you are interested in using local products such as hazel hurdles. <http://www.coppice.org.uk/supply.htm>

County woodland officers, AONB woodland officers or local woodland projects can also offer help in sourcing local timber.

County Woodland Officers
