

SAWMILL SURVEY - YEAR ENDING DECEMBER 2015

If the sawmill no longer exists please give the approximate date of closure: _____

- CONSUMPTION OF LOGS:**

What was the total consumption of UK and imported logs during 2015?

This should be the volume of logs sawn in the year rather than the volume purchased or delivered. It should exclude sawn timber received for further processing.

Please give figures in metric units (cubic metres underbark, m^3 ub).

| | Softwood | | Hardwood | |
|--|----------|----------|----------|----------|
| UK grown logs | | m^3 ub | | m^3 ub |
| Imported logs (incl. imports from the Republic of Ireland) | | m^3 ub | | m^3 ub |

If possible, please complete the following, indicating the country or countries you purchased UK roundwood from. **If you are unable to provide actual figures then estimates are acceptable:**

| Purchased from: | Softwood | | Hardwood | |
|------------------|----------|----------|----------|----------|
| England | | m^3 ub | | m^3 ub |
| Scotland | | m^3 ub | | m^3 ub |
| Wales | | m^3 ub | | m^3 ub |
| Northern Ireland | | m^3 ub | | m^3 ub |

- PRODUCTION:**

What was the total volume of sawnwood produced by the mill during 2015, from both UK and imported logs?

Please give figures in cubic metres (m^3).

| | Softwood | | Hardwood | |
|----------|----------|-------|----------|-------|
| Sawnwood | | m^3 | | m^3 |

• **OTHER PRODUCTS:**

What was the total quantity of other products produced during 2015?

This should include **all** of these other products from the site.

Please give total quantities in **green tonnes** and breakdowns in **percentages**.

| | Softwood | Hardwood |
|---|------------------------|------------------------|
| Total (green tonnes) | <input type="text"/> | <input type="text"/> |
| % Sold to bio-energy (including pellet manufacture) | <input type="text"/> % | <input type="text"/> % |
| % Sold as firewood | <input type="text"/> % | <input type="text"/> % |

If you have answered “Yes” to the above, please respond to the following questions. Otherwise, please leave blank.

What percentage of input volume is from Certified sources? %

What certified percentage / claim system do you use on sales of all products? (tick)

100%

Mixed sources

Volume credit

Which certification label(s) do you use? (tick)

FSC

PEFC

• **EMPLOYMENT (at this site)**

Please provide an estimate of the sawmill’s total employment, expressed as Full-Time Equivalent (FTEs).

Include both direct employees (those for whom you are responsible for paying wages and National Insurance contributions) and other employment (any others undertaking work for you, including contractors and their

employees). To express employment as FTEs, please include a rough estimate of time for those who work a part-year for the sawmill. For example, count a full-time employee working slightly more than half the time for the sawmill as 0.6, or an employee who works part-time for 4 months as 0.2.

For haulage employment, please only include those employed directly. Please exclude any contract haulage employment and any employment at the site not directly related to the mill (e.g. exclude work producing pallets or other wood products from sawnwood).
