

# *Jigsaw* and **New Woodland Owners Meeting** **30th October 2008** **1pm - 3pm**

We welcome you to our second owners meeting, to be held at one of the new woodlands by kind permission of John Cleaver of Newnham Farm. This new woodland was planted in 2003.

The meeting will introduce you to your new Woodland Advisor for the Forestry Commission, Mr Mike Pittock. Further discussion points will be raised by experts in their field, covering colonisation and monitoring of new woodland.

Also, we wish to consider how to develop the Owners Forum, which was proposed at the last meeting, to give you the greatest benefits.

## **Specific topics for discussion during the walk:-**

- Farm Adviser Issues by Rowan Adams
- Farm and Woodland Birds by Les Street - RSPB
- Dormice by Jonathan Cox
- Colonisation with Native Species by Colin Pope
- Red Squirrels by Helen Butler
- Jigsaw Forum & Website by Patrick Stephens
