

Scottish Borders

Woodfuel Production Outdoor Workshop

Thursday 25th February 2010

- Enable woodland management by reaching new markets for fuel wood.
- Improve your woodlands for better timber quality and increased biodiversity.
- Realise the potential to reduce heating costs, secure a sustainable, reliable fuel supply and reduce your carbon footprint.

Forestry Commission Scotland's **Regional Biomass Advice Network** invites you to attend a one-day workshop on the 25th February 2010 covering Woodfuel Production from Small Woodlands in the Scottish Borders.

Location: Floors Castle, Kelso, Roxburghshire, TD5 7SF.

AGENDA

Registration and Coffee: 9.00 am

Indoor Seminar Session: 9.30 am
